CAREER SUMMARY

Starting his career at Voit's Ontario office, Shy Assar quickly distinguished himself, achieving the title of Vice President in just three years. Now, as a Senior Vice President and Partner, Shy plays a pivotal role in the industrial investment sector. His team specializes in sourcing and brokering sales of key industrial investment opportunities, including IOS, Land, and Buildings. Their clientele includes respected Private Equity Firms, Publicly Traded REITs, and Global Asset Management companies, marking them as trusted advisors in the field. With a completed Master's in Real Estate Development from USC, Shy combines practical experience with comprehensive academic insight. This synergy positions him as a reliable and strategic consultant to industrial land, yard, and building owners across the Inland Empire.
