### CAREER SUMMARY

#### Specialty

Christian specializes in the sale and lease of industrial buildings in the Inland Empire with a concentration in the Eastern sector. He started his real estate career by studying Real Estate Development at the University of Southern California. After graduating, he began in multifamily investment sales in LA before swiftly making the change to industrial after foreseeing the potential growth it has in upcoming years. Christian's love for industrial real estate stems from the love he has for business paired with the booming industrial market. He spends his time walking the streets of the Inland Empire trying to procure more business relationships while treating his clients investments as his own.

### EDUCATION

While in school, Christian played for the University of Souther California water polo team. His senior year he had finally accomplished his life long goal of winning a National Championship. After ending long journey of water polo on a high note, Christian transferred all his determination and drive he had for water polo to real estate brokerage.
