CAREER SUMMARY

OVERVIEW

Myles Martinez started his Commercial Real Estate career in 2023 with a passion for guiding clients through the San Diego marketplaces. Based in California and educated at UC San Diego, Myles refined his skills under the mentorship of top industry experts. As Real Estate specialist with a focus in Healthcare, he has had a proven track record in assisting Landlords, Tenants, Buyers, Investors, and Owner-Users in the sale and/or leasing of commercial properties and crafting solutions that benefit all involved. Notably, Myles excels at assisting Owner-Users, aligning properties with their business goals. Trusted and meticulous, he is a trend-savvy advisor who fosters enduring relationships. Beyond work, Myles stays current in the field, attending events and engaging in community efforts. Dedicated to ongoing excellence, Myles is set to make a lasting impact in real estate.
