## VOIT BROKERS \$22.25M SALE-LEASEBACK OF A TUSTIN LEGACY ASSET

**Tustin, Calif., (February 5, 2026)** – Voit Real Estate Services is pleased to announce the \$22,250,000 sale-leaseback of a 55,022-square-foot industrial trophy asset located in the Tustin Legacy District. Peter Castleton, Executive Vice President and Partner of Voit's Anaheim office, represented the seller, Mr. Bob Istwan, CEO of Motive Energy, a nationally recognized leader in advanced energy and connectivity technologies.

“This was a highly strategic sale-leaseback that secured long-term occupancy for the seller while delivering an institutional-quality investment to a private buyer,” said Peter Castleton.

The property, located at 2692 Dow Avenue, is positioned in the heart of Orange County's most sought-after innovation corridor. The building features over \$3 million in modern improvements designed to support high-performance operations, engineering, and technological development, including 25,000 square feet of finely appointed headquarters office space and nearly 30,000 square feet of warehouse space with five loading doors.

“This transaction supports Motive's long-term growth strategy by preserving our presence in a location that is central to our operations, our workforce, and our Southern California customers,” stated Bob Istwan.

Senior members of the Zehner Hill Industrial Group from Voit's Irvine office, Adam Hill, Mitch Zehner, and Michael Zehner, represented the buyer, Deercreek Yorba Linda LLC, a local private investor.
