### CAREER SUMMARY

Amanda Lindquist brings over 10 years of commercial real estate experience spanning office, industrial, flex, retail, and life science assets throughout Southern California. She has extensive expertise in leasing strategy, financial analysis, and transaction negotiations, with a proven ability to maximize NOI, increase occupancy, and enhance long-term portfolio value.

Throughout her career, Amanda has partnered closely with ownership groups, tenants, brokers, and capital partners to execute sophisticated leasing strategies and support investment objectives. She has supported commercial real estate portfolios with a cumulative asset value exceeding \$3 billion and has successfully completed more than 1,000 leasing transactions, generating significant lease revenue and driving performance across diverse asset types and ownership structures.
