CAREER SUMMARY

Jenna joined Voit Real Estate Services in 2026 after more than five years in high-volume, customer-facing and operations roles. As Supply Chain & Customer Analytics Coordinator at Bitchin' Sauce, she has managed purchase orders, inventory planning and supplier relationships while maintaining 98%+ on-time, in-full delivery.

Jenna also managed daily operations at Vacancy Coffee, serving 100+ customers a day and training new team members, and gained B2B sales exposure as a sales intern at Marilyn Good Consulting.

Now based in Voit's Irvine office, Jenna works under Trent Walker and Alton Burgess, focusing primarily on industrial properties in Irvine, Costa Mesa, Newport and the Airport area. She is building her practice on the same foundation as her earlier career: responsive communication, organizational precision and trusted client relationships. She brings a strong attention to detail, the ability to stay accurate under pressure and a service-driven mindset, and she is committed to helping her clients make informed real estate decisions.

Jenna also has an academic background well-suited to the industry. A graduate of Arizona State University, she earned her Bachelor of Arts degree in Mass Communication and Media Studies.
